Summary

A motivated and technically skilled Cybersecurity graduate from Yarmouk University, comprehensive knowledge and hands-on experience during training at Luminouskey, where I honed my skills in PHP, WordPress, and cybersecurity. Successfully completed web development projects that enhanced my ability to contribute to dynamic teams and tackle real-world security challenges with innovative solutions.

Education

2020-2024
Faculty of Information Technology and computer Science at Yaromouk University. Bachelor degree in
Cybersecurity

Experience

March 2024 - July 2024
Trainee| Luminouskey Company
Gained essential skills in PHP, WordPress, and cybersecurity through a hybrid training program that combined theoretical knowledge with hands-on practice. Worked on practical web development projects, building a strong foundation in web development and security, and preparing to contribute effectively to any development team.
